Foundation for Appalachian Ohio (FAO) and the Community Foundation for Perry County

The SPCAEF joins the Community Foundation for Perry County family of funds. The Community Foundation for Perry County (CFPC) was established at FAO to improve the quality of life and to serve the charitable needs of Perry County by attracting and administering charitable funds. Its family of funds partner with FAO to provide additional opportunities in Perry County. As a regional community foundation established in 1998, FAO supports the efforts of both SPCAEF and CFPC in growing philanthropy for Perry County by providing professional, administrative, and financial services.

A Fund Of
FOUNDATION FOR APPALACHIAN OHIO

Promoting learning experiences for the residents of the Southern Local School District through college scholarships, and grants to school teachers and nonprofit community organizations.

SOUTHERN PERRY COUNTY ACADEMIC ENDOWMENT FUND

The Southern Perry County Academic Endowment Fund (SPCAEF) was established in 1987 with the purpose of creating resources to promote learning experiences for the residents of the Southern Local School District.

SPCAEF has now partnered with FAO, and we continue our work to provide college scholarships for local residents and grants for educational projects for southern Perry school teachers and nonprofit community organizations.

The partnership and generous contributions from donors enables the SPCAEF to promote academic excellence and sponsor enrichment opportunities for our community, and we greatly appreciate your support – it makes such a difference!
