Newsletter (November, December, and January)

COVID-19

What a remarkable group of individuals we have here at Fairview Assisted Living, staff and residents alike!

This has been an extremely challenging time for everyone here, many putting in longer hours than normal and even working outside of their department.

Each individual has shown dedication and teamwork beyond compare and it is greatly appreciated!!

Visitations/Outings

2/6/2021

As of this date, residents will be able to continue with essential outings and visits may commence. Please remember to contact our facility to set up a scheduled time for your visit.

In Loving Memory

Miss Colvin looking pretty in her Santa outfit, while passing out information during Christmas at the Farm, in hopes of obtaining more residents for the upcoming year!

Christmas Party

This year was a little different, but everyone still enjoyed a delicious meal and received items on their wish list!
