Administration
Building

Thursday and
Friday

New Lexington
City
Administration
Building

**“The
Perfect
Pour”**

**COFFEE
CART**

THE PURPOSE OF THE PROGRAM:

The Perfect Pour Coffee Cart is a community-based training site operated by students with limited abilities from New Lexington High School. By allowing the students to operate their own business, they are learning vital skills to help them transition into the workforce and their community after graduation.

HOW THE CART OPERATES:

This self-supporting cart will run on cash donations made by the customers. Students will serve coffee, tea, hot chocolate, snacks and muffins to their customers while practicing social and employability skills.

TIME AND PLACE:

**Monday, Tuesday, and Wednesday: Perry County Administration Building
Thursday and Friday: New Lexington City Administration Building**

Contact information:

**Penny Murray, Transition to Work Coordinator, New Lexington High School
